Pattern pieces

Pattern pieces:

- Boobs part, Cut 4 (2 sets for the right and 2 set for the left

- Waist band, cut 2

Pattern already include 1 cm ~ (0.4 inch) Seam allowances

Instruction for sewing:

Boobs piece:

Take two pieces and place them right side together and pin the sides together and sew along leaving the the bottom open sew with 1 cm /0.4 inch seam allowance .

Than turn it inside out and press the sides.

Repeat this for the other side pieces

Waistband Piece: Fold your waistband into two on the lengthway just to mark the middle of waist band where the boobs /Bras piece will be placed later.

Wrong side fabric

Right side fabric

Instruction for sewing:

Place the waistband piece, with right fabric facing up. Pin the bottom part of boobs piece (facing down) to the top of waistband.

When placing the boobs/ bras piece, you have several options on how you want the bras piece to fit either with a slight overlap or no overlap.

Now that you placed/ pinned the boobs/ bras pieces, you need to place the second waistband piece over it to sandwich the bras pieces

Pin and Sew the length of the band with 1cm/0.4 inch seam allowance and leave one side of width open.

PS: Now your waistband is sandwiching the Boobs/bras piece

Then turn it inside out. And iron flat the seam. For the open width sides of waistband piece, fold 1cm/0.4inch inside and iron it flat to make sure it stays flat and stitch then top stitch .

Voilaaaaa. You are done!
